Food Truck Friday and Movie in the Park

OCOEE, Fla. – The City of Ocoee’s monthly Food Truck Friday and Movie in the Park will be on a hiatus for the next several months as the city moves forward with construction on its historic downtown redevelopment. The city would like to thank its citizens and businesses for their patience as the city continues to make progress towards its vision for a vibrant and renewed Ocoee.

For more information on the city’s downtown plans, visit www.ocoee.org/downtown.
