## **Ocoee CRA Named Winner for Best Annual Report in the 2019 FRA Awards**

**OCOEE, Fla.** – The City of Ocoee Community Redevelopment Agency (CRA) recently received the Florida Redevelopment Association’s (FRA) 2019 award in the Small City Annual Reports category. The CRA’s **“Fifty West” Annual Report** was recognized for its unique brand and the way improvements were highlighted. The City of Ocoee’s Fifty West Redevelopment District is located along State Road 50 between State Road 429 and Clarke Road. This statewide recognition is a significant achievement for the City of Ocoee and shines a spotlight on the CRA’s accomplishments.

Each year, FRA accepts entries for the annual awards from its members in a variety of categories, ranging from annual reports to cultural enhancement. The entries are examined for effectiveness and completeness including the narrative, supplemental material and compliance with the submittal instructions. A cross section of Florida redevelopment professionals, individuals and business organizations judge and rank all of the entries and select the winners.

For more information, please call 407-905-3100 or visit [www.occoee.org](http://www.occoee.org).
