

Frequently Asked Questions:

How do I register?

Registration is held on designated days for all available sessions during the summer. Any remaining spots will be on a first come first served basis during the season. Please bring a cash, credit card, check or money order in the amount of \$70.00 for 8 group lessons, \$100.00 for 4 semi-private or \$150.00 for 7 private lessons.

What happens if it is raining or there is a storm prior to or during my lessons?

Class will only be cancelled if there is thunder/lightning or heavy rain. Your child's instructor will call and let you know if lessons are canceled 15 minutes prior to the start of the lesson.

If I miss a swim lesson due to a personal reason do I get to make it up?

No. Swim lessons will only be made up if the City cancels the class due to weather.

Can I use the pool before and after my lessons?

Payment for the swim lesson program entitles the participant use of the pool during that lesson only. Pool admission must be paid for use of the pool after lessons.

Do I get a refund if I find out that I cannot attend an entire session?

No refunds after the first class starts, no exceptions! A refund request form must be completed. Contact Adrian Dorsey via email (adorsey@ocoee.org)

Swim Lesson Level Description:

IPAP: Infant and Preschool Aquatics Program.

This program is designed to help young children (ages 6 months old - 2 years old) to become comfortable in and around the water.

Level I: Water Exploration (3-6 years)

Students will learn to put their face in the water and blow bubbles, float on their front and back **with** support and learn the proper arm and leg swim motions.

Level II: Primary Skills (6+ years)

Students learn to float **without** support and to recover to a vertical position. This level also marks the beginning of true locomotion skills, using arms and legs, and rhythmic breathing.

Level III: Stroke Readiness.

Students learn the coordinated motion of the freestyle and backstroke. This level will also be continued work on rhythmic breathing.

Level IV: Stroke Development & Refinement

Students will better develop their freestyle and backstroke . Students will also be introduced to the breaststroke and butterfly.
