

About our Facilities:

The Ocoee Family Aquatic Facility is located at 1820 A.D. Mims Road and is adjacent to the Jim Beech Recreation Center.

The Aquatic Facility features a zero depth entry pool with a maximum depth of 4 feet and includes three distinct play features.

The Ocoee Family Aquatic Facility does not include heated water and is therefore a seasonal pool. The City of Ocoee provides chairs, recliners and tables with umbrellas throughout the pool deck.

We have implemented enhanced cleaning procedures to meet CDC, local city, county, and state orders related to Covid-19.

About our Programs:

The City of Ocoee offers a variety of aquatic based programs for all ages including swimming lessons and autistic swim. Please stop by the Jim Beech Recreation Center to pick up a separate flyer with more detailed information on swim lessons. Feel free to contact us with any further questions you may have.

About our Staff:

The City of Ocoee uses certified American Red Cross lifeguards to oversee the pool during the time it is open to the public and during all aquatic programs. The swim lesson programs are instructed by Water Safety Instructors Certified by the American Red Cross.
