Received Date – Office Use Only

Engineering Department
City of Ocoee
150 North Lakeshore Drive
Ocoee, Florida 34761

Dear _____:

This letter is to serve as our Engineer's Certification, certifying that the paving, drainage, water, wastewater systems, and other improvements for the above referenced project have been installed and are substantially in compliance with our approved plans and specifications based upon our visual inspection of the project and information supplied by the contractor.

NOTE: This letter should be signed and sealed by a certified professional engineer.
